Mr. Andrew T. Falkiewicz  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Falkiewicz:

I have been informed that it would be correct procedure to inquire through you, whether Director of the Agency, George Bush, might be available to speak to the Student Spring Banquet of South Texas College of Law here in Houston, Texas on the second of April, 1977 at the Shamrock Hilton Hotel.

South Texas College of Law is the second largest law school in the state, contributing a greater portion of the members of the Bar in the Harris County/Houston area. The banquet is regularly attended by a large contingent of the current student body, as well as considerable representation from the local and state bar and bench.

There is no question that Mr. Bush's remarks, both from his perspective as Director and his past experience, along with his sensitivity to local attitudes and issues in that he comes from our area, would be extremely informative and appreciated by this audience.

I would appreciate your response to this inquiry at your earliest convenience, so that the student bar may make plans accordingly.

Sincerely,

*Charles J. Weigel, II*
